HOSTS AT BANQUET TONIGHT EXAMINATIONS NECESSARY

Commissioner Rudolph and Simon Tests to Take Place in Several Wolf Among Those Who Will

Make Addresses.

German residents of Washington, in conjunction with many German members | communication across state lines or with of the Masonic fraternity who are here ships at sea will go into effect December to attend the sessions of the Scottish 13, and the Department of Commerce Rite conclaves from all over the world, and Labor will, in a few days, issue the today celebrated the 229th anniversary regulations devised to carry the governof the founding of Germantown, Pa., by ment supervision into effect. The last a visit to the tomb of Washington at session of Congress enacted a wireless Mount Vernon, under the auspices of the telegraph law providing for this super-Arion Singing Society, and tonight will vision, and also sanctioned the Berlin tell, in song and story, at a banquet at international radio-telegraph treaty. Unthe Washington Saengerbund, of their love | der these national and international laws for the fatherland and their pride in the Department of Commerce and Labor,

their adopted country. A visit to Mount Vernon by the Arion United States into inspection districts, Singing Society is an annual event on which will be opened when the regula-October 7, but this year's celebration of tions go into effect December 13. the founding of the first German colony | The cities of Boston, New York, Baltiin America was made notable by the par- more, Savannah, New Orleans, San ticipation in the excursion of a number of Francisco, Seattle, Cleveland and Chicago out-of-town guests, among them Dr. Rob- will be headquarters for the various inert Roessler of Hoboken, N. J., a German orator, who spoke in his own language obtained in these districts by all operon "The Life of Washington and Its Lesson to Germans.

Before laying on Washington's tomb he wreath the Arion Singing Society takes to Mount Vernon every year Dr. Roessler reminded his audience of what assiduous students of history Germans are, and told them that in honoring Washington as the greatest man of the American colonial period they honored themselves. Dr. Roessler said that unselfishness stood out as the predominant trait of Washington's character, and that as he had given the Germans of colonial days the example of unselfishly fighting for his principles, German-American citizenship of today would do well to profit by that example in its love for the country Washington helped create.

Dr. Stattler Also Speaker.

The closing address was delivered in man-American orator of Newark, N. J., who alluded to the fact that many Germans are members of the Masonic fraernity, and declared Washington to have navy yards, naval stations, Naval Acad-Stattler urged his audience to look forward to the day when there would be ompleted in Alexandria, Va., the greatany in the world, as a tribute of honor o Washington's mastership of Lodge No. 22, in that city. This lodge, collections for building which have been going on, casually, among Masons for twenty years, will be dedicated in 1917, on the two hundredth anniversary of the founding of mother Masonry in this country, and Dr. Stattler pointed out to his audience that t was most suitable that the most beautishould be in honor of Washington, of all others, whose memory the Germans honor

Banquet to Be Held.

Upon the return from the excursion to Mount Vernon this afternoon officials of the Arion Society and the Saengerbund busied themselves with final preparations for the banquet to be held tonight in the hall of the Washington Saengerbund, under the auspices of the United German Societies, at which Martin Wiegand president of the societies, will preside. reception consist of W. F. Myers, N. A. P. Bachschmidt, A. W. Brink, G. Bessler, P. Dittes, Carl Egolf, J. B. Geier, F W. Helbig, J. Kraft, G. Mair, W. Ruck-daschal, J. F. Schneider, J. Waldman and Henry Wehrenberg.

The speakers at the banquet tonight

will be District Commissioner Cuno H Rudolph, Simon Wolf and W. E. Spear The Ancient Order of Hibernians, which itself has allied with the German organizations for the purpose of fighting against laws for the District inimical to personal liberty rights, will be represented at the banquet by P. T. Moran and Patrick F. Carr as guests of the United German Societies.

Singers to Participate.

Between addresses and courses at the anquet the United German Socieitse, di rected by Armand Gumprecht, and the German Mannerchoir, will sing "Creation" and a number of German choruses

Germantown, Pa., now a beautifu suburb of Philadelphia, in which many persons socially prominent have residences and estates, and the foundation of which is being celebrated today, was established by 300 Germans October 7, 1863, upon part of a grant of 25,000 acres from William Penn, and German colonial history recites that the village was prosperous and orderly to such an extent that it was conducted for many years without courts or political officers.

Unusually Large Enrollment Looked for at the Night Schools.

An exceptionally large enrollment is expected when the night schools of the District of Columbia open this evening. Especially large classes of foreign the tracks of the Pennsylvania railpupils are expected, according to Dr. road, fifty-eight feet below. William M. Davidson, superintendent of a month ago. Saturday night he asked tunity to judge this by the number of foreigners who have stopped at the Franklin School late in the afternoon and evening and made injuiries as to the foreign class opening.
